- Migration & Deployment Technicians
- Network Administrators
- Network Engineers
- Network Installation & Support
- Operations & Support Specialists
- Technical Writers

Staffing Services

Recruiting & Screening Experts

Our technical recruiters network within the IT professional communities that you need to recruit from. We are able to easily distinguish the real talent because our recruiters are technical experts themselves.

Simplify Your Hiring Process

In fact, why not skip it altogether? We will interview candidates, conduct technical testing, check references, complete the required hiring paperwork and orient the staff for you.

The Creative Breakthroughs, Inc. Advantage

For 18 years our clients have trusted us to shape their infrastructures. When you hire one of our candidates, you receive the collective sum of our technical expertise as part of the package. We work with you to consider the needs of your organization including your overall IT strategy, your current infrastructure issues or even the latest technology trends.

No matter the number people we supply you with, you have all of the resources of Creative Breakthroughs, Inc. behind you.

A leading provider of consulting, contract to hire, and permanent IT staffing services, Creative Breakthroughs is keenly aware of the ever-changing needs of our customers and the importance of building solid, lasting partnerships. Throughout our history, we've developed ongoing relationships with our clients and contacts in the IT field to quickly and confidently locate the talent you require.

We have attracted top level, talented IT professionals by offering:

- Exposure to the region's most prominent companies;
- The challenge of working with various technologies, industries and projects;
- High-end, niche placements;
- Integrity, dependability, focus, experience and a personal approach;
- Ongoing training and professional development opportunities

The Quality Guarantee

Because we're confident in the abilities of our employees, we're proud to offer a 100% quality guarantee: If you are not completely satisfied with the performance of any of our staff, simply notify us within the first three days of the assignment, and you will be refunded 100% of any charges paid for that employee.
